Dear Parent/Carer,

Covid-19 Update – Confirmed Case

We are now in a position to inform you that a parent of one of our students has a confirmed case of Covid-19. The child concerned is not currently in school, has no symptoms and is self-isolating. It is inevitable that further cases will arise and in such instances, we will ensure they follow the latest guidance from Public Health England and the Government.

We continue to put in place measures to maintain a safe learning environment for students and staff. We would ask for your support in not making any non-urgent calls or visits to the school whilst we focus on the students and staff each day.

Thank you for your continued support, patience and understanding during this uncertain time.

Yours faithfully,
