2<sup>nd</sup> February 2021

Dear Parent/Carer

## Re: Year 11 Mock Exam Series

I hope that this letter finds yourself and your families in good health. After an autumn term of extremely hard work, including exceptional attendance to Lesson 6 and breakfast intervention, Year 11 completed a full mock exam series to ascertain their current level of progress towards their GCSE targets. During this three-week series, Year 11 maintained their commitment towards their revision and conducted themselves with maturity and determination in their approach to their exams.

Following robust moderation of the completed mock papers, we are now in a position to share the results of your child's mock exams. These exams reflect only the outcomes of your child's December mock exams; these mock grades do not take their previous assessments or classwork into account. However, it is important to note that the subjects that are classed vocational, such as the BTEC & OCR Nationals do take some externally moderated units and coursework into consideration.

With that said, we must be mindful that these grades could go up or down in the summer. The teacher assessed grades will take a holistic view, based on all assessment information, your child's engagement and work quality during this lockdown period and also any further 'tests' that may be set by exam boards upon their return to school. It is more important than ever that your child stays fully engaged with their remote learning programme and shares their work with their class teachers.

In order to best support your child with our remote learning provision, we would like to invite you to book meetings with your child's teachers on Thursday 25<sup>th</sup> February. These meetings will offer the opportunity to reflect upon their mock grades, their current engagement and the actions required. This will ensure that they are best placed to achieve and exceed their targets from the teacher assessed grades in the summer.

The school uses an online appointment booking system. This allows you to choose your own appointment times with teachers. Following your selection, you will receive an email confirming your appointments.

Please visit <https://grangeacademy.schoolcloud.co.uk> to book your appointments. Login with the following information:

- Name
- Surname
- Student's first name
- Student's surname
- Date of birth

ASPIRE FOR EXCELLENCE

If you do not have access to the internet, please contact the school office who will discuss alternative arrangements.

To explain and demonstrate the process, please use the following video and guidance: [Video Appointments: Parents - How to attend appointments over video call - SchoolCloud Parents Evening \(parentseveningsystem.co.uk\)](https://www.parentseveningsystem.co.uk)

Finally, I would like to take this opportunity to thank you for your continued support. We are exceptionally proud of our Year 11 cohort for the commitment and resilience that they have shown to their studies during what has been a challenging year. We look forward to meeting with you and continuing to work together during these coming terms.

Yours faithfully

Miss H Bate  
Progress Leader for Year 11
