27th November 2019

Dear Parent / Carer

CREST Award

As you know, your child has been taking part in the CREST awards for Science, in an after school club. CREST is a nationally recognised scheme for student-led project work in the STEM subjects (science, technology, engineering and maths).

Over the course of 10 hours, your child has designed their own investigation, built their experiment and recorded their findings, giving them a taste of what it is like to be a scientist or engineer in the real world.

They are now nearing completion and have almost completed their project and I will shortly be submitting their work to the CREST award organisation.

In order to do this, there is a £5.00 submission fee (students were informed of this before participating in CREST).

If you would like your son or daughter's project to be submitted to Crest, please complete the attached form and return it to the Finance Department with a payment of £5.00, no later than Thursday 12th December 2019.

Yours Faithfully

A Lightfoot
CREST Organiser

PERMISSION SLIP

I give my permission for my son/daughter's work to be submitted, in order for them to receive their CREST Award.

I also agree to pay the £5.00 fee for this submission.

Payment should be made online via the Scopay App (Please contact the Finance Office if you require any help accessing the Scopay App)
