

Year 1: Autumn 1

Basic Skills/ Online Safety

Prior Learning EYFS – introduced positives and the negatives of internet safety as part of EYFS framework.

Objectives

- To login using different school devices,
- To know how to use different school websites,
- To know when to take breaks from device time,
- To be respectful of people while using devices,
- To learn how to Stay safe online,

Key Learning

Being safe online means pupils are protecting themselves and others from online harms and risks which may jeopardise their personal information, lead to unsafe communications or even effect their mental health and wellbeing.

Vocabulary

- Balance,
- Device,
- Frustrated,
- Pause,
- Online,
- Website,
- App,

Key Resources

Year 1: Autumn 2

Mouse and Keyboard

Objectives

- Mouse and keyboard skills; move mouse, left/right click, drag and drop.
- Typing; Find letters on keyboard and begin touch typing with home row keys.

Prior Learning EYFS - Knows how to operate simple equipment (30-50 months)
Give explanations (Speaking 30-50 months)

Key Learning

Pupils will learn to use a mouse and keyboard and become more able at using these skills. You will begin to use a range of digital resources such as tablet computers and touch screens.

Vocabulary

- Keyboard,
- Mouse,
- Touch,
- Type,
- Keys,
- Right click,
- Left click,
- Double click,

Key Resources

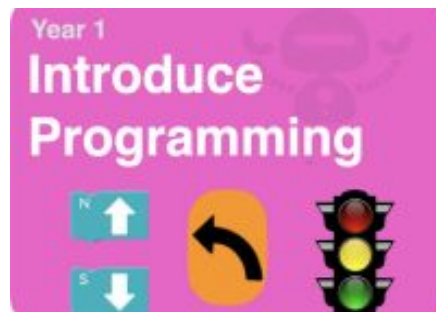

Year 1: Spring 1

Coding and Programming

Prior Learning – Knows how to operate simple equipment (30-50 months)
Give explanations (Speaking 30-50 months)

Objectives

- Understand sequence and algorithms.
- Sequence instructions (commands) to achieve an objective.
- Use distances in commands.
- Predict, write, execute and debug a simple program.

Key Learning

Pupils will start to learn basics of coding and programming skills using a range of online and practical resources.
Children will learn improvement vocabulary such as sequencing, algorithms, predict, debug.

Vocabulary

- Code,
- Program,
- Sequence,
- Algorithm,
- Predict,
- Debug,

Year 1: Spring 2

Adding Text and Images

Prior Learning – Children recognise that a range of technology is used in places such as homes and schools. They select and use technology for a particular purpose.

Key Learning
Pupils will apply their mouse skills and keyboard skills into use by adding images and resizing them, before adding and resizing text. These skills will really help later digital publishing skills, such as comic and ebook creation.

Vocabulary

- Keyboard,
- Mouse,
- Images,
- Resize,
- Text,

Objectives

Add, move and resize images the add text and adjust size and placement,

Add, resize and place images on a page then add and position text to label and describe images,

Use word banks to write sentences about images,

[Junior Infant Tools Paint website](#)

Year 1: Summer 1

Music Creation

Prior Learning - Explore how sounds can be changed (30-50 months)
Explore different sounds of instruments (40-60 months)
They select and use technology for a particular purpose (Early Learning Goals)
Represent own ideas through music (Early Learning Goals)

Objectives

- Understand the advantages and disadvantages of making music on a computer.
- Understand that different instruments make their own sound and that instruments can be divided into groups,
- Create a rhythm using a pattern of beats,
- Create digital sounds using patterns and shapes,
- Create a simple melody using patterns and adjust tempo,

Key Learning

Pupils will learn to understand different sounds instruments make, the important of patterns in music creation and important words such as rhythm/beats, tempo and melody. Most importantly, pupils should be encouraged to experiment with music creation.

Vocabulary

- Rhythm,
- Melody,
- Tempo,

Year 1: Summer 2

Digital Art

Prior Learning – Uses simple tools and techniques competently and appropriately (40-60+ months)
Selects appropriate resources and adapts them where necessary (40-60+ months)
Explores how colours can be changed (30-50 months)
Chooses particularly colours to use for a purpose (40-60 months)

Key Learning

Pupils are introduced the precision needed for digital art and introducing pixels. Pupils will understand the benefits of digital art as less messy and easier to make changes.

Vocabulary

- Digital,
- Change,
- Pixels,
- Re-create,

Objectives

- Change the colour of individual pixels to accurately re-create basic artwork.
- Make changes where required.
- Change the colour of individual pixels to accurately re-create detailed artwork
