

Learning Objective	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Autumn 1							

Key Skills

Colours

- To know that red + blue = purple
- To know that blue + yellow = green
- To know that yellow + red = orange
- To know that red, blue and yellow makes brown
- To know how to use black and white to create tone and shadow

Subject Specific Vocabulary

- primary
- secondary
- colours
- colour wheel
- mix
- blend
- tone
- light
- dark

Sticky knowledge!

Creating light and dark:

When you want to add light into a picture, make sure the paint is fully dry before adding spots of white. Try adding a tiny amount of black to a paint colour to make it a shade darker. Likewise, try adding a small amount of white to make a colour lighter!
