

November 2020

Dear parent,

We hope that you and your family are keeping well.

It's at this time of year when we would normally be inviting your son/ daughter to the College to have a look around our wonderful campus, meet our fantastic tutors and hear from our outstanding students so that you can find out more about our courses.

To ensure that your son/ daughter doesn't miss out on these opportunities, we are hosting our first Virtual Open Event this November which means that you can visit the College from the safety of your own home. **You will need to register online at [riverside.onlineopendays.com](https://www.riverside.ac.uk/onlineopendays)**

You will be able to explore the campus virtually through our 360 tours and attend a variety of LIVE talks and sessions from our Heads of Departments and Head of Apprenticeships. You will also be able to hear from some of our current and former students and ask our tutors any questions via the LIVE chat function. Please find enclosed the full schedule.

**Riverside College Virtual Open Event:
Wednesday 18th November, 4pm-7pm**

In the meantime, if you have any questions or queries, please contact a member of the Schools Liaison Team on **0151 257 2022**. Alternatively, you may email **courses@riverside.ac.uk**.

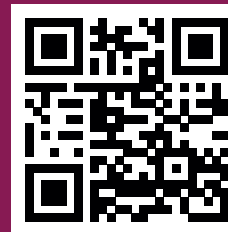

We're looking forward to virtually seeing you soon!

Yours sincerely
