1<sup>st</sup> February 2021

Dear Parent/Carer

**RE: Year 10 Progress Update Day**

I hope that this letter finds you well and in good health. During December, we wrote to you and shared your child's most recent academic and pastoral data. We also communicated our changes to our assessment model.

As we were unable to hold our parents' evening in the traditional format, we would like to invite you to participate in our Year 10 Progress Update Day on **Thursday 11<sup>th</sup> February.**

During this day, you will have a series of scheduled appointments with your child's teachers, where you will have the opportunity to discuss your child's progress towards their targets and their engagement with the remote learning provision during the national lockdown. More so than ever is it crucial that your child is fully engaging with the remote learning programme so that they are continuing to make progress towards their target grades.

The school uses an online appointment booking system. This allows you to choose your own appointment times with teachers. Following your selection, you will receive an email confirming your appointments.

Please visit <https://grangeacademy.schoolcloud.co.uk> to book your appointments. Login with the following information:

- Name
- Surname
- Student's first name
- Student's surname
- Date of birth

If you do not have access to the internet, please contact the school office who will discuss alternative arrangements.

To explain and demonstrate the process, please use the following video and guidance: [Video Appointments: Parents - How to attend appointments over video call - SchoolCloud Parents Evening \(parenteveningsystem.co.uk\)](#)

Yours sincerely
