# Pupil Premium Strategy Statement 2019-20 & Data 2018-19

This strategy statement is produced to outline the barriers to achievement for those pupils entitled to Pupil Premium funding at The Grange Academy. The strategy focuses on the actions that will be taken to ensure that PP students at The Grange Academy achieve well and are prepared for the next stages of their education and career. This document contains data from the academic year 2018-19 for all Year Groups and also a summary of the headline figures.

Barriers to future achievement for PP students				
	In-school barriers			
A	<b>Teaching and Learning</b> To further improve teaching and learning across school and for PP students ensuring quality first teaching, effective feedback and stretch and challenge. Through effective intervention subject differences and class by class variation will reduce. To further develop cross phase work between leaders.			
В	Attendance To utilise our clear attendance systems to further, improve attendance in all phases, diminish differences and move PA (particularly in secondary) closer to National Average.			
с	<b>Aspirations</b> To further develop the rising of aspiration by promoting consistently high expectations for our students to develop skills to take on wider roles and responsibilities. To further extend enrichment opportunities for students and improve their cultural capital.			
D	Behaviour and Attitude to Learning Through consistently high staff expectations and appropriate pastoral support, we will further embed strategies to further reduce both fixed term and internal exclusion rates for PP students and improve the attitude to learning of the PP cohort.			
E	Wider Outcomes To provide a range of opportunities for students, no matter what their background to access learning opportunities outside the classroom and further raise awareness of opportunities available. Offer the best possible care, guidance and support for emotional well-being for students and track the benefits to our PP students.

Whole school	93.0	94.0	+
Secondary	91.4	92.8	+1.4
Primary	95.2	95.8	+0.6

The table above indicates that there was significant improvement in the attendance of Pupil Premium students in 2018-19.

#### **PP** and **Non PP** comparison

Primary	94.17	96.14	94.48	96.92	+0.31	0.78

The table above indicates that there was significant improvement in the attendance of Pupil Premium students who improved their attendance at a faster rate than those that are non-PP, therefore demonstrating effective use of funding and strategy.

Awaiting 2018/19 National Data, data below is 2017/18.

PP attendance nationally was 92.7%

PP PA was 23%

### **National Averages**

### 2019 End of Key Stage 2 Attainment in reading, writing and maths

65% of pupils reached the expected standard in all of reading, writing and maths (combined) in 2019, up from 64% in 2018.

#### 2019 End of Key Stage 2 Attainment in reading, maths and GPS tests - National Averages

In reading, 73% of pupils reached the expected standard in 2019, down by 2 percentage points from 2018. In maths, 79% of pupils reached the expected standard, up by 3 percentage points from 2018. In GPS, 78% of pupils reached the expected standard, unchanged from 2018. To reach the expected standard in each test subject, a pupil must achieve a scaled score of 100 or more. In writing, 78% of pupils reached the expected standard in 2019, unchanged from 2018.

There is a full file of evidence that shows demonstrable impact in the strategies that have been utilised in the academic year 2018-19.
