English	Maths	Wellbeing (PSHE, SMSC & PE)
<p>Written task Send us your favourite lock down recipe (written out with a method) for us to try with a picture of what it should look like.</p> <p>OR Write a letter to a friend in your class. What can you tell them you've done? What do you miss about them? What are you looking forward to doing when you can see them again? You can write more than one letter if you like!</p> <p>Spelling: Choose some of the common exception words and play a game of hangman. Can you create your own wordle for the spellings?</p>  <p>Handwriting Could you write all of your family's names and pets using your best handwriting? Can you write your home and school address joining your letters? Remember not to join your capitals! Maybe you could write a shopping list?</p>	<p>This week's focus is <u>shape</u> Properties of shapes means discussing how many sides, corners (vertices) and faces a shape has. Have a look at the 2D shapes sheet to find the properties.</p> <p>If you want a challenge, have a look at 3D shapes! Then, can you have a go at the shape 3D property sheet?</p> <p>Draw some shapes. Can you draw a house only using 2D shapes? What other objects can you make using 2D shapes? How about drawing a face out of shapes! How about using some tins and boxes to make a 3D shape sculptures!</p> <p>Remember to keep practising your times tables! Try table tennis tables like we have done in class.</p> <p>Can you create your own shape riddle? Eg. I have 4 equal sides. I have 4 corners. What shape am I?</p>	<p>PE Continue your sport's day training!</p> <p>Mindfulness activity:</p>  <p>Draw around your hands and write down some positive feelings and decorate.</p>

Humanities & The World (Science, History, Geography & RE)	Creative (Art, DT, Music, Computing and MFL)	Independent Learning
<p>Geography: We talked about reusing, reducing and recycling in school and how it is good for the environment. Design a poster to say why it is good to recycle and write a short paragraph to say what you have recycled over lockdown and what you made/did with it. We would love to see a picture of your creations!</p>	<p>Art – have a look at these pictures using shape. Overlap the shapes, outline them in black and colour them in bright, bold colours.</p>  <p>Music: Send us a video of your favourite tik tok dance, song or musical instrument that you've learnt over lockdown.</p>	<p>Have a look around your house. Can you find any 2D shapes?</p> <p>CHALLENGE: Can you find any 3D shapes around your house?</p>

<p>Geography: https://www.youtube.com/watch?v=448Lxex55sU&list=PLii5rkhsE0LdtTknIAU8v6L1AO5A2I8pE&index=8&t=23s Play some continents games https://mrunusbaum.com/continents-and-oceans-online-game You have to be speedy quick dragging the labels to the globe! Miss Hemsley and Miss Gittins enjoyed playing this! https://world-geography-games.com/continents/</p>	<p>https://www.bbc.co.uk/bitesize/clips/z7db4wx We know you have done African drumming but thought you might like to see some music from a different continent. Brazil is in South America and they have a traditional dance called The Samba. Watch and learn the dance. Could you record yourself doing the dance or make your own musical instrument? https://www.youtube.com/watch?v=hObUL5E38cs This shows you how to make a shaker!</p> 	<p>TTROCKSTARS A new TTrockstar battle has been set! However, 2G are currently in the lead and have won the last two competitions!</p> <p>Keep up with your numbots too, we love to see some of you achieve reaching the leaderboard!</p>
