English	Maths	Wellbeing (PSHE, SMSC & PE)									
<p>Task 1 - Phonics. Here are some simple sounds. Sh, th, ch, oo, ar. Go on a hunt around your home or garden and try find people, objects or places that contain the same sound. Make a list and draw a picture of the items you find for each sound. E.G. shoe, art, book.</p> <p>Task 2 - Conjunctions. Here are some conjunctions. Because, If, And, When. Think about all the things that make you unique and write 6 sentences about yourself using these conjunctions. E.G. I like to play football because it's lots of fun.</p> <p>Task 3 - There, Their and They're. Use a dictionary (or google) to look up the the meaning of these three words. Create a poster helping people to use the correct word. Here is an example.</p> <p style="text-align: center;">theiṙ therè they[^]re</p> <p>Task 4 - Expanded Noun Phrases. Pick five objects from around your house and put them in front of you. These can be toys, games, ornaments or whatever you can find. These are your nouns. Create an expanded noun phrase using two adjectives to describe your nouns. E.G. The fluffy, cuddly teddy bear. Write a noun phrase for each of your objects.</p> <p>Task 5 - Reading Vipers. Read a short story or chapter from the book you are reading. Write a review of what you liked, what you didn't like and how many stars you would give the book. Challenge: Write down some challenging words you found in the story and look up what they mean.</p>	<p>Task 1- Draw and label all the coins you know, are there any other coins? Can you draw an array of coins to make 100p which equals £1 and find out which coins you would need the least of? Eg.</p> <p>£1 = 100p</p>  <p>Task 2- How do we use pounds and pence? Find 5-10 items from around your home. Can you think of a price for them Eg</p>  <p>Can you then write this in pence? £1 and 24p, £1.24p = 124p , £6 and 45p, £6.45 = 645p.</p> <p>Task 3 - Adding money - Label some items around your home with pounds and pence. Can you add 2 items together using a part part whole model, adding the pounds first then the pence. Eg.</p>  <p>Task 4- Add using real money using a part part whole model. Extension can you subtract?</p> <p>Task 5- Continue with your times tables- work on your own or with a partner or maybe try a family bingo game.</p>	<p>PE- Personal Challenge Workout</p> <table border="1" data-bbox="1585 391 2011 885"> <tr> <td data-bbox="1585 391 1675 598"> <p>A) Star Jump (Easy) B) Explosive star jump (Challenge)</p>  </td> <td data-bbox="1675 391 1814 598"> <p>1 minute to complete as many star jumps. Personal challenge beat your score.</p> </td> <td data-bbox="1814 391 2011 598"> <p>Once per day</p> </td> </tr> <tr> <td data-bbox="1585 598 1675 710"> <p>Mountain Climbers</p>  </td> <td data-bbox="1675 598 1814 710"> <p>1 minute to complete as many star jumps. Personal challenge beat your score.</p> </td> <td data-bbox="1814 598 2011 710"> <p>Once per day</p> </td> </tr> <tr> <td data-bbox="1585 710 1675 885"> <p>Push ups A (Easy) B (Challenge)</p>  </td> <td data-bbox="1675 710 1814 885"> <p>1 minute to complete as many Push-ups. Personal challenge beat your score.</p> </td> <td data-bbox="1814 710 2011 885"> <p>Once per day</p> </td> </tr> </table> <p>Yoga- Find a quiet place on a floor to practice these poses for 5 seconds each. If you are comfortable in the pose you can hold it for a bit longer. Remember to breathe deeply in the poses, don't hold your breath.</p>  <p>Please send any pictures through to your teacher</p>	<p>A) Star Jump (Easy) B) Explosive star jump (Challenge)</p> 	<p>1 minute to complete as many star jumps. Personal challenge beat your score.</p>	<p>Once per day</p>	<p>Mountain Climbers</p> 	<p>1 minute to complete as many star jumps. Personal challenge beat your score.</p>	<p>Once per day</p>	<p>Push ups A (Easy) B (Challenge)</p> 	<p>1 minute to complete as many Push-ups. Personal challenge beat your score.</p>	<p>Once per day</p>
<p>A) Star Jump (Easy) B) Explosive star jump (Challenge)</p> 	<p>1 minute to complete as many star jumps. Personal challenge beat your score.</p>	<p>Once per day</p>									
<p>Mountain Climbers</p> 	<p>1 minute to complete as many star jumps. Personal challenge beat your score.</p>	<p>Once per day</p>									
<p>Push ups A (Easy) B (Challenge)</p> 	<p>1 minute to complete as many Push-ups. Personal challenge beat your score.</p>	<p>Once per day</p>									
<p style="text-align: center;">Humanities & The World (Science, History, Geography & RE)</p> <p>Science - Bones are rigid and strong and make up the frame for your body called the skeleton. When you are fully grown your adult skeleton has 206 bones. How many can you name? Draw a picture or even try drawing round another person maybe using chalk, can you label the bones on their body?</p>	<p style="text-align: center;">Creative (Art, DT, Music, Computing and MFL)</p> <p>DT -Learn to Sew on a Button. You will need: A button, fabric or the item of clothing to sew the button on to. A needle, cotton thread and scissors. Ask a grown up to show and support you. When you have mastered sewing a button use a number of buttons to make a pattern on some fabric or make a material purse with a button to close it or a phone case. Cut a slit in the fabric to make a button hole for your button to go into.</p>	<p style="text-align: center;">Independent Learning</p> <p>Handwriting - Practice your joined up handwriting - letters g, h and i. What words can you think of that start with these? Can you use these words in a sentence? Reading - Read a story and write 5 questions thinking about what you would like to know more about. E.g. Does Goldilocks have brothers or sisters? Where does the Winnie the Witch live? What is the name of the kingdom the wizard lives?</p>									

Send us your pictures at KS2primary@grangeacademy.co.uk or upload them to [Show My Homework](#).

Year 3 - Online Learning from Home.

English	Maths	Wellbeing (PSHE, SMSC & PE)
<p>Lesson 1 - Refresh your knowledge of phonics and use it to help you write clear sentences. You can play games to practice sounds and complete and activity to hunt for sounds. Complete the digital lesson by clicking the link. Challenge: watch the video in the lesson about being in the rainforest. Write a postcard to somebody you know explaining what its like to be there.</p> <p>Lesson 2 - A conjunction word is used to join two parts of a sentence together to make it longer. E.G. I stayed inside because I was grounded. Complete the digital lesson by clicking the link. Challenge: watch the video in the lesson about under the sea. Write sentences using conjunctions from todays lesson. E.G. Seaweed grows closer to the surface because it needs more sunlight.</p> <p>Lesson 3 - Use todays lesson to practice when to use there, their and they're. E.G The food is over there. That is their lunch. They're eating lunch together. Complete the digital lesson by clicking the link. Challenge: use the picture of the soldiers in the lesson to inspire your sentences. Write 3 sentences with there, their and they're (9 sentences in total).</p> <p>Lesson 4 - Recap Expanded Noun Phrases and be able to identify and use them in a sentence. E.G. The huge, green tree. (A sentence that adds more detail † the noun (the tree) by using adjectives (huge, green). Complete the digital lesson by clicking the link. Challenge: pick a character from a book you have read and write 5 expanded noun phrases about them. E.G. Harry Potter had old, broken glasses. His hair was black and messy.</p> <p>Lesson 5 - Listen to the first chapter of Harry Potter by clicking this link. If you have a copy of the book they you can read along. Then, once you have completed the first chapter, answer the VIPERS questions about the text.</p>	<p>Lesson 1 - Converting pounds into pence. Can you solve these problems about turning pounds into pence and back again? Complete the digital lesson on SMHW by watching the video and download the worksheets.</p> <p>Lesson 2 - Converting pounds into pence. Think about using pounds and pence in the real world by watching the videos on BBC Bitesize by clicking the link here and then complete the worksheets on SMHW.</p> <p>Lesson 3 - Adding money together. Can you solve these problems by adding pounds and pence together? Complete the digital lesson on SMHW by watching the video and downloading the worksheets.</p> <p>Lesson 4 - Subtracting money. Can you solve these problems by subtracting pounds and pence from a total? Complete the digital lesson on SMHW by watching the video and downloading the worksheets.</p> <p>Lesson 5 - Rockstars Battle! 3R vs 3W and only one class can reign supreme. Will it be Darth Relph and his 3R Empire or Princess Williams and her 3W rebels? Go to TT Rockstars and earn points by practicing your timetables. Click the link. Current score: 3R = 7260 points /3W = 10061 points. Battle ends 31st May 2020.</p> <p>If you are struggling to access the videos on Show My Homework you can find the lessons by clicking the link. Challenge: can you complete the Year 3 lessons on WRH by clicking on the link.</p>	<p>PE- Real PE is a resource that focuses on attitudes as well as being active and is a very easy tool to use. The developers have allowed this portal to be sent securely home so below is the link and login should you wish to use it from home.</p> <p>The website address is: home.jasmineactive.com</p> <p>Parent email: parent@thegrangea-1.com Password: thegrangea</p> <p>After logging on use the three bars in the top left to select Real PE and then your year group and you can navigate through all lesson plans through the year. Some activities (mainly games) are not possible to do but many warm ups, skills and personal best challenges are possible from home by changing some equipment for things around the house. Use those creative skills! Please send any pictures through to your teacher.</p> <p>Yoga- Cosmic kids yoga- Pokemon https://www.youtube.com/watch?v=tbCjkPlsaes</p>
<h3>Humanities & The World (Science, History, Geography & RE)</h3>	<h3>Creative (Art, DT, Music, Computing and MFL)</h3>	<h3>Independent Learning</h3>
<p>Science - Refresh your memory and build your knowledge about skeletons and muscles using these videos. Click here. Test your knowledge on the body's skeleton and muscles by taking this quiz. Click here.</p>	<p>Computing - learn the basics of coding with turtle academy. Work through the lessons on each level building your knowledge and skill to become a professional code writer. https://turtleacademy.com</p>	<p>Visit these websites to continue your daily lessons. BiteSize Daily Lessons - Recap previous learning. Oak National Academy - Learn some new skills.</p>

Home Learning Reflection

What I have learned during the last 2 weeks ...

What I have enjoyed

What I have found difficult

What I would like to learn next

Feedback from my teacher

Home Learning Reflection

			
I enjoyed the work my teacher set			
I completed the work with a little help from an adult			
I completed most of the work independently			
I thought this work was interesting			
I had all the resources I needed to complete these activities			
Comments you would like to make to your teacher
