

Y4 Practical Learning from Home

English

Reading

Read one of your books to a member of your family each day. Pick your favourite part of the story/chapter and draw a picture to illustrate it.

Spelling and Vocabulary

breath breathe build busy business calendar caught centre century certain

To help you learn the spellings you could:

- Create a mnemonic (Big Elephants Can Always Upset Small Elephants- BECAUSE)
- Put the words into sentences
- Use them in your writing tasks
- Complete word pyramids for each word
- Have a family member test you on them

Writing: Use your imagination to answer these questions. The more imaginative the better.

- Where is it from?
- Why is it so small?
- Are there more like him?
- Where does he live?
- How will you look after it?
- Will you keep it a secret or tell someone?
- What is it called?
- Is it magic? What magic can it do?

Maths

I am learning to compare measurements in m, cm and mm.

Measure the length/height/width of items in your house/garden/on a walk and record them in a table like this:

object	length/height	width
pillow	68cm	44cm
window	1m 28cm	88cm
5p coin	1cm 7mm	1cm 7mm

Measure the length of your family members' arms, legs and their heights. Compare them like this:

Here are the heights of Leo's family:

Leo: 1m 64cm	Lucy (sister): 86cm	Dad: 1m 96cm	Mum: 1m 53cm
--------------	---------------------	--------------	--------------

Order the family from shortest to tallest:

shortest				tallest

Complete the attached measuring sheet.

I am learning to add and subtract numbers with up to 4 digits

Revision of addition and subtraction of up to 4 digits.

Complete the attached addition sheet.

Wellbeing (PSHE, SMSC & PE)

Social skills

Make a drink and a snack for you and someone in your family, then sit down together and have a chat! You need to have a two-way conversation where you take turns to ask questions, listen to answers and then ask a linked question. Here are some questions to get the conversation flowing. If you could go anywhere in the world, where would you go? What is the scariest thing that has ever happened to you? What makes you laugh?

Keep safe and happy

Humanities & The World (Science, History, Geography & RE)

History Research VE Day and find out:

- What it is
- Why it is celebrated
- How was it celebrated in the past? How is it celebrated now?
- Where is it celebrated?
- You could present your learning as a poster, leaflet or PowerPoint.

Creative (Art, DT, Music, Computing and MFL)

Design Technology: Design a new VE Day medal- to celebrate VE Day's 70th anniversary (since WW2 ended). If you can access Show My Homework, there is a template available.

Independent Learning

Grow plants on your windowsill from vegetable trimmings. If you have a pet (or have a favourite animal) make a book/poster/Powerpoint on how to look after it.

Home Learning Reflection

What I have learned during the last 2 weeks ...

What I have enjoyed

What I have found difficult

What I would like to learn next

Feedback from my teacher

Home Learning Reflection

			
I enjoyed the work my teacher set			
I completed the work with a little help from an adult			
I completed most of the work independently			
I thought this work was interesting			
I had all the resources I needed to complete these activities			
Comments you would like to make to your teacher
