- What can you see? What is a vending machine? How does it work?
- What snacks do you like to eat at home?
- Would you like to help at home by doing some jobs? What jobs would you like to do?
- Are there any jobs you wouldn't like to do? Why not?

Dividing using a number line

30 divided by 5

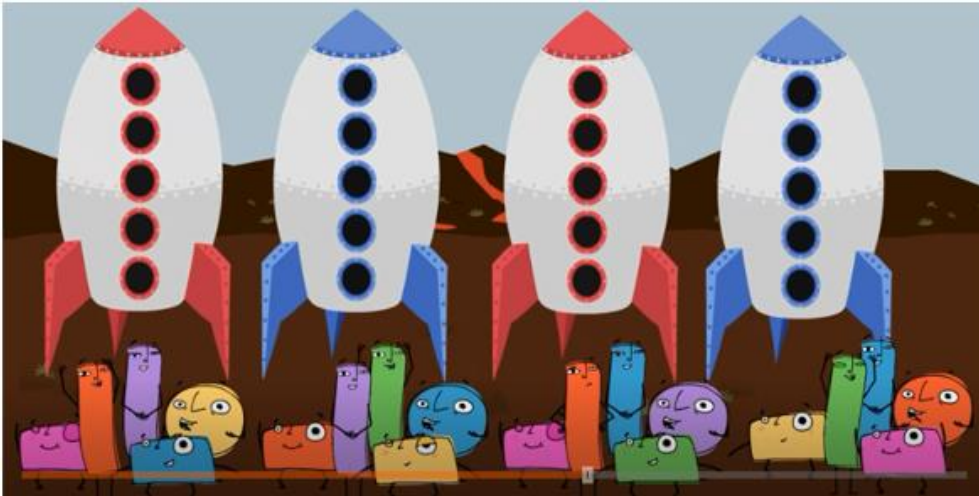

We can see how many lots of 5 go into 30

5, 10, 15, 20, 25, 30 (there are 6 lots of 5)

20 divided by 4

We can share the amounts into groups (like when we used hoops in school)

Dividing using an array

From this we know that

27 divided by 3 = 9 Or 27 divided by 9 = 3
