| <p>Writing: Setting description. Draw your own setting- this could be a forest, magical land, under the sea or even in space! Then, write a description of this place. We expect you to use your magnificent adjectives (but have attached a word bank if you need some help)</p> <p>Challenge: <i>Can you create your own story set in your new setting?</i></p> <p>Reading: This week we would like you to work on your expression when reading. Choose a book where you can explore using a range of character voices. Remember to pause at the full stops.</p> <p>Spelling: Days of the week and months of the year. We see these everywhere and use them all the time, so it is important we know how to spell them</p> <p><i>Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday, January, February, March, April, May, June, July, August, September, October, November, December</i></p> | <p>Division</p> <p>On the help sheet attached, we have put three different methods to solve division. Have a go at all three, but then choose a method that you find the easiest to solve the division questions attached.</p> <p>CHALLENGE: Can you have a go at writing your own word problem?</p> <p><i>Eg. I had 12 chocolate eggs. I shared them equally between 3 friends. How many did they each get?</i></p> | <p>SMSC:</p> <p>Have a look at the picture news all about helping out around the home on the attachment.</p> <p>PE:</p> <p>Design and practice your own family work out.
