Y6 Leavers Hoodies 2022

Dear Parents/Carers

Every year, Year 6 have the option of purchasing a Leavers Hoodie. Below are some images from 2020. We are really lucky to work with one of our ex-parents, Lisa O'Hanlon, who makes these for the children. The sweatshirts will look like those pictured below.

Children can pick their own colour and the names of all their year group will be placed in the 22 digits. It is a great keepsake for the children and I am sure you have seen many young people proudly wearing their sweatshirts even now!

Attached is the order form. If your child would like a sweatshirt then you need to contact Lisa O'Hanlon directly (all details are on the order form). The final date for orders and payment is 23rd April. This will mean the sweatshirts will be produced and available for the last half term of school.

We are making sure we organise this early as possible as it isn't always easy now to access materials and ensure the students receive their sweatshirts.

Like last year, there will be opportunities for the children to wear their sweatshirts in school during the last half term. If the cost is an issue that would prevent your child having a sweatshirt then please contact myself (Miss Kenneway) confidentially to discuss options for finance.

Any questions, please contact Lisa (her number is on the order form).

Yours faithfully

M Kenneway
Head of Primary Education
