Lessons:

As you enter each classroom you will be asked to sanitise your hands. There is a station set up in each classroom to enable you to do this.

It is really important that you bring your own equipment with you because you will not be able to share equipment.

You must stay on the right hand side of the Humanities wings.

The majority of your lessons (other than some specialist practical lessons such as PE) will take place in the classrooms on the right hand side of the Humanities wing.

You must not go into any other wing or classrooms unless told to do so.

Break and Lunch

At break and lunch time you will get your food from the secondary serveries. Don't worry both serveries will serve exactly the same food.

Once you have eaten, if you want to go outside, you must leave the dining area by the Amphitheatre doors, go around the side of the amphitheatre, up the ramp and then you can use the Secondary MUGA at both break and lunch time.

You can re-enter the school building the same way.

At the end of the school day

At the end of the school day you will leave via the main school entrance.

You will be able to collect your mobile phone at the main doors.

Don't Worry!

During your first day in school your Progress Tutor will take you on a tour and make sure you know exactly where you need to be, what doors you need to use and how to access the different areas of the school.
