2011 – Graduated from Leeds Beckett University – Sports & Exercise Science

2013 – Graduated from The University of Cumbria - PGCE

Jobs

Store Assistant - Boots, Cricket Professional, Teaching Assistant.

What I liked most about University?

Meeting new people and living away from home. I learnt a lot of important skills and survived without my parents for the first time!

Best advice about careers

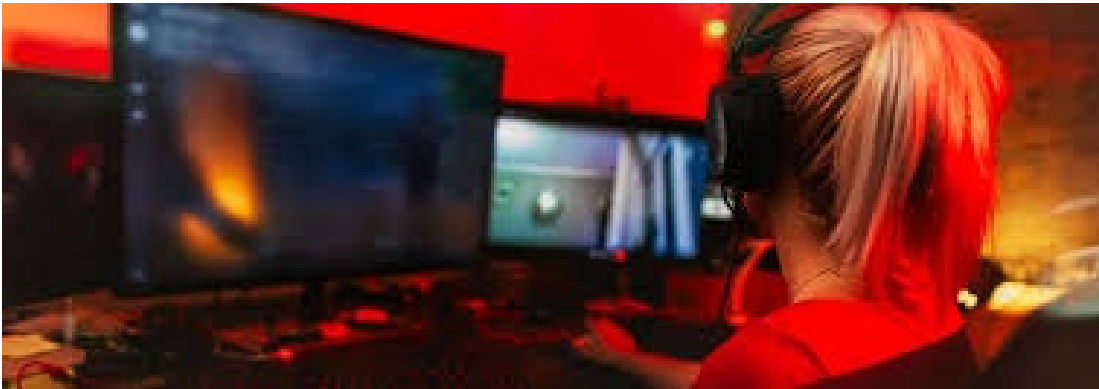

Pick the courses and colleges/universities that are best for you. Don't follow your friends or make decisions based on them.
