Dear Parent/Carer

RE: Year 8 Progress Update Evening

As we are unable to hold our Parents' Evening in the traditional format due to Covid restrictions, we would like to invite you to participate in our Year 8 Progress Update Evening on Thursday 6th May 2021. This evening will run from 4-7pm.

During this Progress Evening, you will have a series of scheduled video call appointments with your child's teachers. Due to the current government guidelines, these appointments will be remote based and will provide the opportunity to discuss your child's progress towards their targets along with key updates on their attitude and behaviour.

The school uses an online appointment booking system. This allows you to choose your own appointment times with teachers. Following your selections, you will receive an email confirming your appointments.

If you require additional logins for people with parental responsibility can you please contact school at your earliest convenience. Otherwise invites will only be sent to those that are the priority contact on our database.

Please visit <https://grangeacademy.schoolcloud.co.uk> to book your appointments. Login with the following information:
