Supporting young people after they've left school

Dear Parent/Carer,

At Halton Borough Council we have a team of Young People Caseworkers who work with young people to support them into education, training, or employment after they leave school.

When your son or daughter leaves school, and up to the age of 18, (or up to the age of 25 with an open Education, Health and Care Plan), if they require any careers help or support, or you would like to ask for advice to help them yourself please do contact us:

Email: 14-19Team@halton.gov.uk

Ring: 0151 511 8834
