13th September 2019

Dear Parent/Carer

At The Grange Academy we are passionate about providing our students with the opportunity to engage with extra-curricular/enrichment activities related to PE and sport . We will be running after school clubs and organising external fixtures where your son/daughter will compete or perform against other schools in the district of Halton and Cheshire. Your son/daughter will be required to be in full PE kit and to bring any medication that they may require. E.g.: an inhaler if they suffer from Asthma.

For external fixtures we have access to transport that will collect students from school and then return after the event has finished. We realise that some students may live close to schools in the local area and it may be more convenient for them to make their own way home rather than being taken back to school. For this to occur we will need parental/carer permission and a permission slip is attached at the bottom of this letter. If you could complete it fully with your details and then return it to school for our records please, to ensure the safety of our students.

If your son/daughter is representing The Grange Academy in an external event, we expect them to uphold the school's ethos in terms of respect and appropriate behaviour that will not bring the school name into disrepute. Inappropriate actions by students whilst travelling, or at events will be treated in line with the school's behaviour policy. It may also jeopardise your son/daughters inclusion in future events or school trips.

If you would like your son/daughter to represent the school, please complete and sign the form below and return it to school as soon as possible.

Yours faithfully

Mr P Allen
Head of Physical Education

Student Name: _____ Form: _____

I will allow my son/daughter to represent The Grange Academy in sporting fixtures and performances.

I will ensure that he/she has the appropriate kit and footwear and will carry any medication they may need to participate safely.

I am happy for my son/daughter to make his/her own way home after the fixture or performance.

(Please tick appropriate)

Yes No

I will collect my son/daughter from school after the fixture:

Yes No

Emergency Contact Number: _____

Medical details: _____

Signature: _____ Name (Please Print) _____ (Parent/Carer)
