

October 2020

Dear parent,

We hope that you and your family are keeping well.

Our 2021 prospectus is now available on our website, please visit the following link to download your copy: www.cronton.ac.uk/prospectuses

It's at this time of year when we would normally be inviting you to the College to have a look around our wonderful campus, meet our fantastic tutors and hear from our outstanding students so that you can find out more about our courses.

To ensure that you do not miss out on these opportunities, we are hosting our first Virtual Open Events this October which means that you can visit the College from the safety of your own home.

You will need to register online at cronton.onlineopendays.com

You will be able to explore the campus virtually through our 360 tours and attend a variety of LIVE talks and sessions from our Principal, Heads of Department and course tutors. You will also be able to hear from some of our current and former students and ask our tutors any questions via the LIVE chat function. Please see below for the full schedule.

Cronton Sixth Form Virtual Open Events:

- Tuesday 13th October, 4pm-7pm
- Wednesday 14th October, 4pm-7pm
- Thursday 15th October, 4pm-7pm

If you have any questions or queries, contact a member of the Schools Liaison Team on **0151 257 2022**. Alternatively, you may email courses@cronton.ac.uk

We're looking forward to virtually seeing you soon!

Yours sincerely

Mary Murphy
College Principal
