15th June 2021

Dear Parent/Carer

Year 10 Progress and Mock Exam Update Day

I hope that this letter finds you well and in good health. During this fortnight, Year 10 have completed a full exam series to establish their current levels of progress. We would like to invite you to meet with your child's Core Subject teachers and their Progress Tutors to review their performance and engagement on Thursday 24th June.

During this evening, you will have a series of scheduled appointments with your child's teachers for English, Maths and Science teachers, where you will have the opportunity to discuss your child's progress towards their targets, along with discussing their provision for Year 11. Further to this, an appointment with your child's Progress Tutor will allow you to review attendance, attitude to learning and answer additional questions that you may have.

The school uses an online appointment booking system. This allows you to choose your own appointment times with teachers. Following your selection, you will receive an email confirming your appointments.

Please visit <https://grangeacademy.schoolcloud.co.uk> to book your appointments. Login with the following information:

Finally, in what has been an extremely challenging year, I would like to thank you for all of your support with remote learning, attending our events and for your continued engagement to ensure that your child meets and exceeds their target grades.

I look forward to working with you again in the coming academic year.

Yours faithfully

Miss H Bate
