Dear Parents and Carers

I hope this letter finds you well and in good health. It has been delightful to see our Year 11 cohort back in school and continuing with their studies; thank you very much for your support during their period of remote learning.

During Year 11 it is traditional to have an individual portrait and a whole year group cohort photograph. Despite the current Covid-19 restrictions, we are still able to go ahead with this photography event and ensure that our students do not miss out.

Our photography company, Kittle Photography, would usually create the Year 11 cohort with a panoramic set up and all the students standing/sitting together, but due to the social distancing, they now doing this with a green screen.

Our booking is for Thursday 25<sup>th</sup> March, therefore please ensure that your child attends wearing full school uniform. Following on from this date, you will be issued with proofs and the options to purchase photographs.

Any updates and additional information will be shared via MyEd and social media.

Yours faithfully

Miss H Bate
